NEW ON THE MARKET - CLOSE TO THE BEACH

New on the market is this large two storey house close to the beach. Keurboomstrand is forever a charming country style village and a fabulous attraction because most properties are walking distance to the beach and have views of the ocean. This property has both.

The two storey home has 5 bedrooms and two bathrooms. Large open plan living room and balconies on both levels. Outdoor braai area. The property offers as much down stairs as upstairs with two tandem garages.

It has a large stand with enough space for parking, garden and a pool. Easy access and is slightly above the street level creating the view of the ocean. The layout of the house has possibilities to create a B&B.

Both levels can be entered separately. Do not miss this opportunity to invest in a Keurbooms.
