Gorgeous 4 Bedroom Home on a Greenbelt – Your Dream Oasis Awaits!

SOLE MANDATE

Moments from the beach, situated on a greenbelt

The automated gate slides open, welcoming you into this secure, private sanctuary. A discreet system of cameras and electric security surrounds the property, quietly offering peace of mind while a cool breeze carries the scent of salt and the hush of trees. Though you're only moments from town, the world seems to slip away behind you.

You step through the threshold to enter a spacious living and dining area—open, inviting, and filled with natural light. Vaulted ceilings lift the space above you as morning sun settles along walls that invite bold artwork or personal expression. A guest loo near the entrance makes the space even more practical without interrupting its rhythm.

To the left of the dining area the kitchen takes centre stage—an absolute standout....
